

Promotion Prospect of Engineering Graduates

Promotion Prospect

Upon completion of Engineering Graduates Training Scheme, Engineering Graduates in the following Disciplines may be considered for appointment to the relevant assistant professional ranks, through open recruitment exercises.

Disciplines:-

- Building Services;
- Electrical;
- Mechanical;
- Electronics;
- Information; and
- Biomedical.

Training Honorarium

The current honorarium on entry is \$16,150 per month (as at August 2011). The above amount of honorarium and the terms of appointment are subject to changes at the time the offer of appointment is made. Graduate trainees are not civil servants and their training honoraria are independent of the civil service pay.
