Part A : (To be completed by a Registered Professional Engineer and the owner of the installation(s))

To : Director of Electrical and Mechanical Services

In accordance with the conditions of the Scheme for Wider Use of Fresh Water in Evaporative Cooling Towers for Energy-efficient Air Conditioning Systems, we would like to apply for metered water supply on concessionary basis for _____ months, for the completion and commissioning of the cooling tower installation(s) in phase(s) at (address of premises) _____
_____.

We undertake that:-

- (a) We will complete the cooling tower installation(s) within the above specified period and shall submit the duly completed Form EMSD EE CT2B to the Director of Electrical and Mechanical Services when the whole installation is completed.
- (b) We will submit the operational information of the completed and commissioned cooling tower(s) via Form EMSD EE CT3 on a monthly basis.
- (c) We will bear the full responsibility and expenses to disconnect the installation(s) from the metered water supply and the removal of the water meter upon failing to submit Form EMSD EE CT2B in time or upon the expiry of the agreed period for concessionary metered water supply.
