### Visit to Education Path

#### Description of Education Path

The Education Path at the EMSD Headquarters at Kowloon Bay comprises two exhibition galleries and a viewing gallery at the rooftop. At the viewing gallery, visitors can appreciate the operation of a large-scale photovoltaic system that consists of over 2,000 nos. of photovoltaic panels which altogether has a total area exceeding 3,000 m². The exhibition gallery on G/F contains 19 nos. of interactive exhibits which provide visitors with comprehensive knowledge of various aspects, including energy-related issues, renewable and clean energy technologies, energy conservation programme, development of energy-efficient building services installation, energy data, EMSD’s accomplishment, history as well as events, etc.

(Address: 3 Kai Shing Street, Kowloon, Hong Kong)
