All Registered Lift & Escalator Contractors
All Registered Lift & Escalator Engineers

Dear Sirs,

Circular No. 12/96
Code of Practice on the
Examination, Testing and Maintenance of
Lifts and Escalators

Further to my Circular No. 10/96, please note that as gazetted, the Code of Practice on the Examination, Testing and Maintenance of Lifts and Escalators (the Code) shall commence to have effect on 15 September 1996. The Code shall be applicable to all works in connection with examination, testing and maintenance of lifts and escalators carried out on or after that date.

Please feel free to contact Mr. Gregory CHUI on 28083651 if you have any difficulty or query on the Code.

Yours faithfully,

(LAW Yu-wing)
for Director of Electrical & Mechanical Services
