TJCIQ - Tianjin Entry-Exit Inspection and Quarantine Bureau 天津出入境檢驗檢疫局	http://www.aqsiqqas.gov.cn/	China

Recognized Certifications Authorities are independent organizations empowered under law or decree (e.g. notified bodies appointed by the Commission of the European Community), to certify that a gas appliance is designed and produced in compliance with international or national safety standards and recognized as such by the Gas Authority.

認可核證機構指透過法例或法令獲正式授權，可以核證某一氣體用具的設計及生產符合國際或國家安全標準，並獲氣體安全監督認可的獨立組織（例如歐洲聯盟委員會所指定的備案組織）。
