確保電視機四周有足夠散熱空間。

Allow sufficient space around a TV set for heat dissipation.

若有異常聲響、氣味或畫面，或電源掣失靈，應立即停用及安排維修。

If there is abnormal sound, smell or display, or if the power switch does not work properly, stop the TV set and arrange for repair.

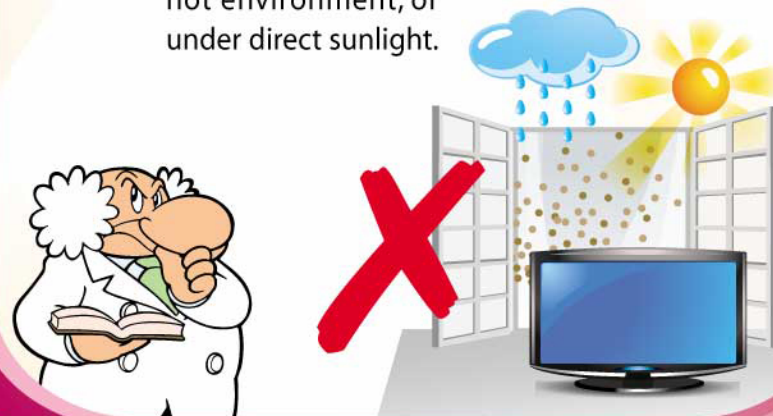

若長時間不看電視或外出，應關掉電源掣，避免只用遙控器按至備用狀態。

Switch the TV set off if you are going out or not watching it for an extended period of time. Avoid leaving it in standby mode with the use of a remote control.

避免放置於潮濕、多塵、高溫或受到陽光直接照射的位置。

Avoid placing the TV set in a humid, dusty or hot environment, or under direct sunlight.

遵照說明書的指示，定期清理。

Clean the TV set regularly according to the user manual.
