到有信譽的店舖選購機頂盒。

Buy set-top boxes from reputable shops.

優質店舖

選購標明產品資料(包括牌子、型號、電壓及功率)及附有符合本港安全規格三腳插頭的機頂盒。

Buy a set-top box marked with detailed product information (including brand name, model no., rated voltage and rated power) and fitted with a 3-pin plug which complies with the local safety requirements.

SAFE BRAND 安全牌
Model No. 產品型號: A234
Voltage 電壓: 220V
Frequency 頻率: 50Hz
Power 功率: 50W

若機頂盒發出異常聲音或氣味，應立即停用及拔去電源插頭，並安排有經驗技師作檢查。

Stop the set-top box and unplug immediately if there is abnormal sound or smell. Arrange for an experienced technician to inspect it.

確保機頂盒周圍有足夠散熱空間。

Allow sufficient space around a set-top box for heat dissipation.

若長時間不使用機頂盒，應關掉電源。

Switch off the power if a set-top box is not used for a long time.
