**Safety Tips for Domestic Christmas Lighting**

1. **Do not purchase or use domestic Christmas lighting fitted with a 2-pin plug.**

2. **Use only domestic Christmas lighting with double or reinforced insulation (usually with a '[' symbol).**

3. **Unplug before replacing light bulbs.**

4. **Lay the power cord properly to avoid prolonged stress.**

5. **Do not use domestic Christmas lighting in an outdoor environment.**

6. **Stop using Christmas lighting if the flexible power cord is damaged or there is any abnormal condition such as overheating, smell.**

7. **Switch off Christmas lighting before leaving home.**
