

## VEHICLE MAINTENANCE TECHNICAL ADVISORY COMMITTEE

### Terms of Reference

The Vehicle Maintenance Technical Advisory Committee advises on the following:-

- (a) development of registration and renewal requirements for implementation of the registration scheme, as well as relevant administrative arrangements;
- (b) means to encourage vehicle mechanics to participate in the registration scheme;
- (c) identification of training opportunities that are relevant to the registration scheme, as well as other training issues related to the registration and renewal requirements;
- (d) development of a monitoring mechanism to uphold the standard of services provided by registered mechanics;
- (e) development of an appeal mechanism; and
- (f) review of the effectiveness of the registration scheme.
