

**CONTROLLING OFFICER'S REPLY TO  
INITIAL WRITTEN QUESTION**

Head: 42 – Electrical and Mechanical Services Department      Subhead:

Programme: (3) Energy Efficiency and Conservation, and Alternative Energy

Controlling Officer: Director of Electrical and Mechanical Services

Director of Bureau: Secretary for the Environment

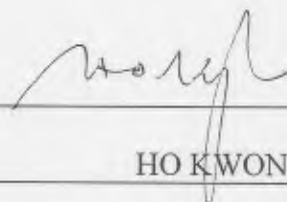

Question: There were four grid-connected and four non grid-connected renewable energy installations completed in 2007. What are the details?

Asked by: Hon. CHOY So-yuk

Reply:

The four grid-connected renewable energy facilities are photovoltaic panels installed at the Airport Police Station, the Government Flying Services Headquarters, the Kowloon Hospital Rehabilitation Block and the Hong Kong Science Museum. The four non grid-connected renewable energy facilities are solar water heating systems installed at the Electrical and Mechanical Services Department Headquarters, King's College, Pak Sha Wan Correctional Institution and the Government House.
