Reply:

In the past three years (i.e. 2011, 2012 and 2013), the Electrical and Mechanical Services Department (EMSD) continuously organised publicity and public education programmes on energy conservation and renewable energy to promote public awareness on best practices in energy efficiency and conservation and renewable energy. A thematic breakdown of the numbers of these activities is as follows:

	2011	2012	2013
Public and Trade Seminars	53	83	60
School Exhibitions and Outreach Programmes	27	55	57
Tours of the Education Path of EMSD Headquarters	189	225	253

Furthermore, EMSD also distributed promotional leaflets and newsletters to the public and disseminated energy conservation and renewable energy information through the internet.
