Voluntary Registration Scheme for Vehicle Mechanics

Are you a professional vehicle mechanic but no one knows? If so, the Voluntary Registration Scheme for Vehicle Mechanics can help.

The scheme is voluntary and free of charge.

Registration will certainly boost public confidence in you and also uplift your professional image.

There are four service classes for registration, namely Mechanical, Specific, Body and Electrical.

You are qualified for registration as long as you possess relevant craft certificates, sufficient work experience, continuing professional development records and a pass in the relevant trade test.

The registration is valid for three years. You can renew your registration as long as you have sufficient employment and CPD records.

Hurry up and submit your application to our office by post or in person.

If you have any questions, please feel free to contact us by phone, fax, email or come to our office.
