

EM/LE/55

895 8649

10 December 1991

All registered lift contractors  
All registered lift engineers

Dear Sirs,

**Circular No. 9/91**  
**Service Lifts Installed in**  
**Restaurants and Other Catering Establishments**

The Factories and Industrial Undertakings (Amendment) Ordinance 1990, which came into operation on 1 December 1991, has included in its definition of "industrial undertaking" restaurants and other catering establishments.

Accordingly, by virtue of section 3(1)(a)(xiv) of the Lifts and Escalators (Safety) Ordinance, Cap. 327, service lifts installed in the above mentioned premises are no longer subject to the legislative control under that Ordinance (Cap. 327), but are subject to the legislative control under the Factories and Industrial Undertakings (Goods Lifts) Regulations, Cap. 59.

Please note the above legislative amendments.

Yours faithfully,

(CHEUNG Ping-kuen)  
for Director of Electrical &  
Mechanical Services
