All Registered Lift & Escalator Contractors

Dear Sirs,

Circular No. 9/96
Posting of Certificate in the Lift or on the Escalator

Recently complaints were received that the certificates posted in the lifts/escalators were outdated. I should be grateful if you would ensure that the current certificate (Form 5, 11 or 12) is posted in the lift or on the escalator maintained by you.

If the certificate is received by the owner, please remind the owner of section 39(3) of the Lifts and Escalators (Safety) Ordinance, which reads as follows:-

"The owner of the lift or escalator shall post, or cause to be posted, in a conspicuous position in the lift or on the escalator any certificate delivered to him under this section, and shall keep that certificate so posted until another such certificate is delivered to him."

Contravention of section 39(3) may lead to a fine of \$5,000 and imprisonment for 6 months.

Your cooperation is highly appreciated. Should you require any discussion, please contact Mr. Sunny NG on 28083115.

Yours faithfully,

(G.M.W. CHUI)
for Director of Electrical & Mechanical Services
