

# 2025 建築物能源效益 (修訂) 條例

## Buildings Energy Efficiency (Amendment) Ordinance 2025

為進一步加強本港建築物能源效益的管理制度，2025年建築物能源效益(修訂)條例於2025年6月正式刊憲，主要措施包括：

To further enhance the buildings energy efficiency management regime of Hong Kong, the Buildings Energy Efficiency (Amendment) Ordinance 2025 was gazette in June 2025. Key enhancement measures include:

- 把數據中心全面納入建築物能源效益標準的規管範圍
- 要求更多類別的建築物進行能源審核
- 縮短能源審核週期至五年(由10年)
- 公開能源審核報告中的能源效益資料
- 擴大「註冊能源效益評核人」的註冊認可資格

- Extending the coverage of regulation on energy efficiency standard to **fully cover data centre**
- Requiring **more types of buildings** to conduct energy audits;
- **Shortening the interval of energy audit** from 10 to five years;
- **Disclosing energy efficiency data in energy audit reports**; and
- Expanding the qualifications eligible for registration as Registered Energy Assessors (REA)

《修訂條例》會分兩個階段實施：

This Amendment Ordinance would be implemented in two phases:
