Total: 142 records found.									

Note:-

*** Refrigerator Category:**

A refrigerator without a frozen food compartment.

A refrigerator with a 1-star frozen food compartment.

A refrigerator with a 2-star frozen food compartment.

A refrigerator with a 3-star frozen food compartment

A refrigerator with a 4-star freezer compartment.

A Category 5 refrigerator incorporating means to prevent the formation of frost on contents.

A refrigeration appliance in which the entire storage volume is intended for freezing food.

A Category 7 refrigeration appliance incorporating means to prevent the formation of frost.

Market availability for models please approach respective manufacturers / agents for further enquiry.

Based on revised new derivation of the energy efficiency grades starting from 1 July 2016. Details please refer to the scheme document.
