

The Provisional Refrigerant Technical Advisory Committee has approved the refrigerant handling training courses organized by the following organizations:

Course Provider	Type of Course	Launch of Course ^{Note 1}	Contact Information
Vocational Training Council	Refrigerant Handling Theoretical Training Course	Anticipated in fourth quarter of 2025	Tel : 2149-7493 Email : pael@vtc.edu.hk
	Refrigerant Handling Practical Training Course 1 (Refrigerant Type : CFC/HCFC/HFC)		
	Refrigerant Handling Practical Training Course 2(a) (Refrigerant Type : refrigerants with mildly flammability)		
	Refrigerant Handling Practical Training Course 2(b) (Refrigerant Type : refrigerants with flammability)		
	Refrigerant Handling Practical Training Course 3 (Refrigerant Type : refrigerants with higher toxicity)	Anticipated in first quarter of 2026	
	Refrigerant Handling Practical Training Course 4 (Refrigerant Type : refrigerants with high operating pressure)		
Construction Industry Council	Refrigerant Handling Theoretical Training Course	Anticipated in fourth quarter of 2025	Tel : 2100-9000 Email : training@hkic.edu.hk
	Refrigerant Handling Practical Training Course 1 (Refrigerant Type : CFC/HCFC/HFC)		
DAIKIN Air Conditioning (Hong Kong) Ltd.	Refrigerant Handling Theoretical Training Course	Anticipated in fourth quarter of 2025	Tel : 3966-9574 Email : training@daikin.com.hk
	Refrigerant Handling Practical Training Course 1 (Refrigerant Type : CFC/HCFC/HFC)		
	Refrigerant Handling Practical Training Course 2(a) (Refrigerant Type : refrigerants with mildly flammability)		

Course Provider	Type of Course	Launch of Course ^{Note 1}	Contact Information
Hong Kong Air-conditioning and Refrigerating Trade Workers General Union	Refrigerant Handling Theoretical Training Course	Anticipated in fourth quarter of 2025	Tel : 2626-1927 Email : info@hkaru.org.hk
	Refrigerant Handling Practical Training Course 1 (Refrigerant Type : CFC/HCFC/HFC)		
Hong Kong Construction Industry Employees General Union	Refrigerant Handling Theoretical Training Course	Anticipated in fourth quarter of 2025	Tel : 2388-6887 Email : enquiry@hkciegu.org.hk
	Refrigerant Handling Practical Training Course 1 (Refrigerant Type : CFC/HCFC/HFC)		
Air Conditioning and Refrigeration Association and DAIKIN Air conditioning (Hong Kong) Ltd.	Refrigerant Handling Theoretical Training Course	Anticipated in fourth quarter of 2025	Tel : 2598-0101 Email : info@acra.org.hk
	Refrigerant Handling Practical Training Course 1 (Refrigerant Type : CFC/HCFC/HFC)		
	Refrigerant Handling Practical Training Course 2(a) (Refrigerant Type : refrigerants with mildly flammability)		

Note1: The course provider will announce relevant course details before launching of course. Please refer to the official website of the organization for detail.
