

2012 Energy Consumption Survey on Education and Human Health Segments

Electrical and Mechanical Services Department (EMSD) shall roll out the "2012 Energy Consumption Survey on "Education" and "Human Health" Segments" in the territory which will be conducted from July until November 2012. This survey aims at facilitating the HKSAR Government to understand the profile about the energy consumption in local "Education" and "Human Health segments of commercial sector so as to update the Hong Kong Energy End-Use Database (HKEEUD).

The survey covers following areas :

Kindergartens, Primary Schools, Secondary schools, Universities and Colleges, Tutorial Education Services, Hospital, Medical, Chinese Medical and Dental Practice Clinics etc.

Asian Cities Research Centre Limited (ACRC) is commissioned by EMSD to carry out this Survey. We have selected a random sample of "Education" & "Human Health" organisations for the survey. ACRC's interviewers will visit the selected sample subjects in uniform bearing a staff card and a copy of invitation letter to collect the questionnaire, verify the energy consumed information, and conduct on-site face-to-face interviews.

All information collected in this survey will be treated in strict confidence and be used in aggregating statistical analysis. All completed questionnaires and collected information will be destroyed upon completion of the survey.

For appointment, verification of interviewer's identity or enquiries,
please contact **Ms. Liu or Mr. Chan** of ACRC at **3743 0581 / 3743 0582**.
For other enquiries, please contact us at 2808 3400.
