EMSD Online Services for License Application

=====

Sister: Doctor
My brother often gets in the queue involuntarily
Queue up for food
Queue up for bus
Queue up for tickets
He even takes days off to queue

Doctor: He should get these symptoms "E"-valuated
The cure for these queuing symptoms is certainly the "E-license"
The EMSD has fully upgraded the online services for license application
For over 40 licenses and certificates
The entire application process can be completed online
Anytime, anywhere
All you need is a mobile device

Dad: You are home early today, don't you need to queue up?

Brother: The queuing symptoms have been "E"-liminated. Your Registered Electrical Worker's License can also be renewed here
Dad, you should also try the new e-Services
Simply download the EMSD's E&M Trade App
And select the license renewal page

Dad: Online services for license application
Are convenient and user-friendly
Let me share the new e-Services with my friends now
