1. Interested consultants are invited to express interest in undertaking the above consultancy.
2. Consultants should fulfill and declare that they have met the following longlisting criteria for their submissions to be considered further:
 - (i) Have relevant experience relating to the technical, environmental, energy efficiency and conservation and financial aspects of the electricity supply companies' operation.
 - (ii) Have relevant experience relating to the regulatory framework, electricity supply market; generation, transmission and distribution aspects involved in the development of a modern electricity supply industry.
3. Interested consultants may obtain an Electronic Invitation Package ("EIP") for the consultancy by contacting the above contact persons.
4. The scope of this consultancy, which is currently expected to commence in April 2022, is indicated in the draft Brief given in **Annex 1** of the EIP.
5. Attention is drawn to bidding restrictions set out in the invitation letter to be sent to the interested consultants and relevant sections of the Guidelines attached to DEVB TC(W) No. 5/2018.
