

發電設施 註冊及維修事宜

Registration and Maintenance of Generating Facilities

接駁電網
Connection to
Power Grid

維修保養
Repair &
Maintenance

申請註冊
Application for
Registration

◆ 根據《電力條例》(第406章), 任何人均不得使用該條例規定須註冊而沒有註冊的發電設施。若須註冊的發電設施將接駁至電網及收取上網電價, 該設施的擁有人**須於其設施接駁至電網前, 提交發電設施的註冊申請。**

◆ 適當及定期維修發電設施。

◆ According to the Electricity Ordinance (Cap. 406), no person shall use an unregistered generating facility that is required to be registered under the Ordinance. If a generating facility that requires registration is to be connected to the power grid to receive Feed-in Tariff payments, the owner of the facility **shall submit an application for generating facility registration before connecting the facility to the power grid.**

◆ Maintain the generating facility properly and regularly.
