## Safety Tips for TV sets

- ★ 確保電視機四周有足夠散熱空間。  
Allow sufficient space around a TV set for heat dissipation.

- ★ 若長時間不看電視或外出，應關掉電源，避免只用遙控器把電視機設定於備用狀態。

Switch the TV set off if you are going out or not watching it for an extended period of time. Avoid leaving it in standby mode by remote control.

- ★ 避免放置於潮濕、多塵、高溫或陽光直接照射的位置。

Avoid placing the TV set in a humid, dusty or hot environment, or under direct sunlight.

- ★ 若有異常聲響、氣味或畫面，或電源掣失靈，應立即停用及安排維修。

If there is abnormal sound, smell or display, or if the power switch does not work properly, stop the TV set and arrange for repair.

- ★ 遵照說明書的指示，定期清理。  
Clean the TV set regularly according to the user manual.

正確使用 + 定期檢修 → 安全用電  
Proper Use + Regular Maintenance → Electrical Safety
