

Registered Electrical Workers Safety Competition 2009

Objectives

1. To promote work safety culture among electrical workers
2. To encourage electrical workers to observe safe electrical work requirements
3. To award prizes to registered electrical workers who put a high premium on work safety and implement safety measures

Format and Assessment

The competition will be conducted in two stages.

In the first stage, a written test will be held. Participants will answer multiple choice questions regarding safe electrical work. The 10 participants with the highest scores will enter the second stage.

In the second stage, interviews will be conducted. The adjudication panel, which comprises senior members of the electrical trade, will ask the participants questions on various safety aspects. Winners will be selected based on the participants' knowledge of various safety rules.

Prizes

- Gold Prize : Certificate and \$ 2,000 coupon
Silver Prize : Certificate and \$ 1,500 coupon
Bronze Prize : Certificate and \$ 1,000 coupon
Merit Prize : \$ 300 coupon (7 winners)

Eligibility and Nomination
