Note 1:

The list of performance rating only shows the performance rating of the contractor who had five or more lifts being inspected by the EMSD during the assessment period. In other words, for those contractors having less than five lifts being inspected by the EMSD during the assessment period [refer to Table (a)], and contractors not undertaking any lift maintenance work during the assessment period [refer to Table (b)], their performances are not included in the list of performance rating.

(a) Contractors having less than five lifts being inspected by the EMSD during the assessment period:

Name of Registered Lift Contractor	Contractor No.
-	-

(b) Contractors not undertaking any lift maintenance work during the assessment period:

Name of Registered Lift Contractor	Contractor No.
MTR Corporation Ltd.	RLC78003
Ryoden Elevator Company Limited	RLC64001

Note 2:

Rating	Description
 + 	No non-compliance found in both safety and services quality aspects in two recent quarterly announcements (Safety Star awarded and the services quality performance index at 100 points in the two recent quarterly announcements)
 + 	No non-compliance found in both safety and services quality aspects (performance index at 100 points in this quarterly announcement)

No non-compliance found in safety aspect and service quality performance index is between 90 and 99 points

No non-compliance found in safety aspect and service quality performance index is between 80 and 89 points

No non-compliance found in safety aspect and service quality performance index is between 70 and 79 points

No non-compliance found in safety aspect and service quality performance index is less than 70 points

Note 3a:

Non-compliances found in safety aspect, thus served with two warning letters. The records of non-compliance will be kept for one year until 3/2018 and 6/2018 respectively.

Note 3b:

Non-compliance found in safety aspect, thus served with warning letter. The record of non-compliance will be kept for one year until 3/2018.
