2 April 2014

To: All Registered Lift/Escalator Contractors

Dear Sirs,

Circular No. 06/2014

Requirement for Carrying out Electrical Works for Lift and Escalator Installations

In relation to electrical work for lift and escalator installations, please be reminded that apart from the compliance with the requirements under the Lifts and Escalators Ordinance (Cap. 618) and all relevant parts about electrical work in the Code of Practice on the Design and Construction of Lifts and Escalators and Code of Practice for Lift Works and Escalator Works, the requirements under the Electricity Ordinance (Cap. 406) (EO) shall be complied with. In particular, according to section 34 (1) of the EO, no person shall do business as an electrical contractor or contract to carry out electrical work unless he is a registered electrical contractor. Please also be reminded that the registration as an electrical contractor shall be renewed once every 3 years.

Should you have any question, please feel free to contact Mr. Wallace CHUI on 2808 3237.

Yours faithfully,

(PANG Yiu Hung)

For Director of Electrical and Mechanical Services
