3 January 2022

To: All Registered Lift/Escalator Contractors
All Registered Lift/Escalator Engineers

Dear Sirs,

Circular No. 1/2022
Code of Practice on the Design and Construction of Lifts and Escalators
(2021 Edition)

The approval of the latest edition of the Code of Practice on the Design and Construction of Lifts and Escalators (Design Code) and its effective date have been gazetted on 31 December 2021. The majority of amendments are made to Section E Part 4, where the latest international standard EN115-1:2017 regarding escalators has been adopted and adjusted with applicable local requirements.

Updated information of the Design Code including the Gazette Notice can be found in the following web page:

https://www.emsd.gov.hk/en/lifts_and_escalators_safety/publications/code_of_practice/index.html

The new Design Code is now available for purchase at the Publications Sales Unit of the Information Services Department.

Yours faithfully,

(LAU Lik-kee)

for Director of Electrical and Mechanical Services
