

使用升降機，你要知

TIPS FOR USING LIFTS

確定升降機機廂已完全停定，才進出機廂。

Enter or exit the lift car only after it has **completely stopped**.

遇有**異常情況**，立即主動通知升降機負責人（管理人員）。

Inform the responsible person for the lift (management staff) immediately in case of **abnormal lift operation**.

如發現**問題**，應暫停升降機的運作，並聯絡註冊升降機承辦商跟進。

Suspend the operation of the lift and contact the registered lift contractor to follow up if **problems** are found.
