影音器材

安全須知

Safety Tips for

Audio-visual Equipment

到有信譽的店舖選購影音器材。
Buy audio-visual equipment from reputable shops.

選購標明產品資料(包括牌子、型號、電壓及功率)及附有符合本港安全規格三腳插頭的影音器材。

Buy audio-visual equipment marked with detailed product information (including brand name, model no., rated voltage and rated power) and fitted with a 3-pin plug which complies with the local safety requirements.

SAFE BRAND 安全牌
Model No. 產品型號: A234
Voltage 電壓: 220V
Frequency 頻率: 50Hz
Power 功率: 50W

確保器材四周有足夠散熱空間。
Allow sufficient space for heat dissipation.

若器材發出異常聲音或氣味，應立即停用及拔去電源插頭，並安排有經驗的技師檢查。

Stop the equipment and unplug immediately if there is abnormal sound or smell. Arrange inspection by an experienced technician.

若長時間不使用，應關掉電源。
Switch off power if equipment is not used for a long time.
