

Safe Use of Escalators

VO :	While on escalators, hold onto the handrail tightly, stand firm within the yellow line. Don't stand on the yellow line.
VO :	Lift your foot as you step on or off the escalator. Stand firm once you've stepped on the escalator and not to lose balance.
VO :	Children must be accompanied by adults on escalators.
VO :	Assist the elderly and those in need. Seniors with mobility problems are advised to use the lifts.
VO :	Keep your feet away from the gaps between the steps and those between the skirting panel and the steps. Keep clear of the brush guard.
VO :	When wearing open toes footwear such as slippers or sandals, be careful of the gaps between the steps and the skirting panel. Pay attention to the gaps when wearing long dresses.
VO :	Lift the umbrella up when carrying one. Don't place the tip of the umbrella into the slots or in between the steps.
VO :	Don't ride the escalator with carts, bicycles and other bulky objects.
VO :	Avoid bringing strollers, fold them up when you're riding the escalator, and hold the baby in your arms.
VO :	Never press the emergency stop button unless there's an emergency.
VO :	Don't run on or play around the escalator.
VO :	Don't sit on the escalator.
VO :	Don't go in the opposite direction as the escalator.
VO :	Don't extend any part of the body out of the escalator. Don't climb on the handrail.
VO :	Don't go beyond or vandalise the obstruction guards.
VO :	Stand still, don't run around.
